PUT YOUR HEALTH IN OURS

**ACUPUNCTURE** is a thousands years old therapeutic method, which originated in China. Thanks to its considerate and gentle approach to human body, as well as for its effectiveness, it is now being successfully used all around the world. By stimulating acupuncture points on body it helps regaining mental and physical balance that is often disturbed by modern way of life.

#### SUITABLE USE OF ACUPUNCTURE:

- relieves pain in the back and joints
- preventive increase of physical and mental resilience of the organism
- helps weakened immunity system to cope with cold, viral infections, allergies, asthma
- auxiliary method in case of high blood pressure and diseases of the digestive system
- metabolic disorders
- stress, insomnia, migraines, headaches, mental imbalance
- conditions after brain strokes – movement and speech disorders

Duration of acupuncture treatment depends on the nature of the treated disorder. Sudden short-lasting problems can be treated during a few acupuncture sessions. Long-term problems require a series of sessions. Concrete procedure will be recommended by your physician.

#### PRICE:

First session (90 minutes) CZK 1300  
Further sessions (45 minutes) CZK 700

**CONSTITUTIONAL HOMEOPATHY** is one of the most frequently used forms of alternative medicine. It is very effective, but also extremely considerate towards patient's organism, because it has no side-effects. It was introduced by German doctor Samuel Hahnemann, who worked as homeopath in Germany and in France. Homeopathy is classified as "complete" therapeutic method, which influences not only the physical side, but also mental and emotional.

#### RECOMMENDED USE OF HOMEOPATHIC THERAPY:

- mental problems – insomnia, anxiety, phobia, depression, addictions
- allergies, migraine, eczema, psoriasis, menstrual cycle irregularities, metabolic disorders, various types of cancer etc.
- improving immunity
- chronic insomnia – infections, allergies, arthrosis, insomnia, fatigue

Homeopathy is very suitable for pregnant and breast-feeding women, as well as for infants and toddlers and it can be successfully used in treating several different health problems at the same time.

#### PRICE:

Initial treatment (60 minutes) CZK 950  
Control treatment (30 minutes) CZK 600
